

Heritage Horizons ENGLISH IMMERSION IN PENANG

PROGRAMME

SENTRAL College Penang's APPLE ethos fosters purpose, liberty, and friendship. In our globalized world, English is crucial for competitiveness. The challenge to students is clear: adapt or be left behind. Mastering English is the quantum leap needed to bridge the gap with developed nations. SENTRAL's Heritage Horizon English Program builds confidence and fluency in a relaxed, practical setting. With small classes, it ensures personal attention. Sessions focus on relevant life challenges, allowing for immediate application. Students practice all skills—listening, speaking, reading, writing, and critical thinking—through presentations and role-play.
